Protonsonic (M) Sdn. Bhd. was established since year 1986. The primary setup for the company are in retailing business. With the growth of ICT business in Malaysia market, Protonsonic had extended their businesses to training, corporate SMI/SME, Government tender, system integration and also school/college/university or the we can call it educational projects....

With the 24 years of experience and commitment, we had setup multiple 3S showroom at Kepong and Rawang in order to provide faster and better services to the local users and the corporate clients.

Thank you!
